Your performance as one of our nation's outstanding leaders has my praise, and it is my particular pleasure to give to you my latest book, just published, with my compliments.

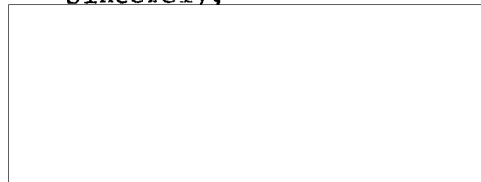

Although I cannot think of many individuals who need this book less than you do, perhaps it will play some small part in helping those on your immediate staff function more effectively.

Pages xiii and xiv summarize how this book can help people throughout government increase business acumen, administrative efficiency and productivity.

I of course would be pleased to learn that you ordered books from Prentice-Hall for key personnel in your organization and look forward to the possibility of discussing how The Negotiating Group can be of further help, especially our In-House Training Division.

Wishing you continued success and keep up the good work.

Sincerely,

STAT
